

**A BUILDING FOR DREAMS**

*transforming lives for*  
**TEN YEARS**

Just over ten years ago, The Gathering Place was experiencing such rapid growth that our building was almost bursting at the seams. We desperately needed more space to meet the growing demand for our services. In 2006, we broke ground on a 28,800 square-foot, state-of-the-art facility meticulously designed with input from members and neighbors that allows us to extend our services to 8,000 women and children through 60,000 visits each year. This accomplishment was only made possible by the generous support of our loyal donors and volunteers—ten years ago and today. Together, we'll ensure our space remains a transformational place for years to come.

*Please join us as we say thank you and mark our ten-year milestone at a party on:*

“When the members came for the first time, several burst into tears as they walked in. One said to me, ‘You must love us a lot to build us something so nice.’ —Leslie Foster, President & CEO

To support our work as we move into the next decade, we're excited to announce several key funding opportunities through physical naming rights designed to memorialize donor generosity and investment in our mission. These funds will keep our building in good condition and will ensure our programs continue to be effectively delivered. **For sponsorship opportunities, please contact Bette Iacino, VP of Resource Development, at [bj@tgpdenver.org](mailto:bj@tgpdenver.org).**

## ABOUT THE GATHERING PLACE

Founded in 1986, The Gathering Place is the only daytime drop-in center in metropolitan Denver that serves women, their children, and transgender individuals who are experiencing poverty, many of whom are also experiencing homelessness. While we refer to those we serve as “members,” no fees are ever charged for programs or services.

We believe deeply in the power of our community and continually work to make it stronger. Our key values include recognizing individual strengths, building respect and trust, and offering unconditional acceptance.
