INDEPENDENT AUDITORS' REPORT

To the Board of Directors
The Gathering Place: A Refuge for Rebuilding Lives
Denver, Colorado

We have audited the accompanying financial statements of The Gathering Place: A Refuge for Rebuilding Lives ("The Gathering Place") (a Colorado non-profit corporation), which are comprised of the statement of financial position as of September 30, 2014, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

MANAGEMENT'S RESPONSIBILITY FOR THE FINANCIAL STATEMENTS

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

OPINION

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of The Gathering Place: A Refuge for Rebuilding Lives as of September 30, 2014, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

REPORT ON SUMMARIZED COMPARATIVE INFORMATION

We have previously audited The Gathering Place's 2013 financial statements, and our report dated January 30, 2014, expressed an unmodified opinion on those audited financial statements. In our opinion, the summarized comparative information presented herein as of and for the year ended September 30, 2013, is consistent, in all material respects, with the audited financial statements from which it has been derived.

Note 1 - Organization and Summary of Significant Accounting Policies

Organization

The Gathering Place: A Refuge for Rebuilding Lives ("The Gathering Place") is a community of safety and hope where positive relationships, choice, and essential resources transform lives. The non-profit was founded in 1986 and operates as a daytime, drop-in center in metropolitan Denver that serves women, children, and transgender individuals ("members") who are experiencing homelessness or poverty. At this time, it is the only organization with this sole focus.

In addition to offering a safe haven and meeting basic needs, The Gathering Place provides resources for building self-sufficiency and opportunities to acquire new skills. During The Gathering Place's 28 years, services have evolved to meet the constantly changing needs of those who come seeking assistance. All of The Gathering Place's services are free for members and are designed to be welcoming and beneficial to all members. Though the range of services is vast, they typically fall into one of these three categories:

Safety and Emergency Services: Provide a safe environment and intervention services so those in crisis can meet their immediate needs and find stability.

- *Specific Services:* safe refuge, five days per week; access to resources and referrals; Family Area program; nutritious and fresh meals; food pantry, also known as Betsy's Cupboard.
- *Outcomes:* more safety; more stability; more access to resources; less hunger; less vulnerability; better parenting skills.

Self-Sufficiency and New Possibilities: Provide services and programs that facilitate overall well-being and self-sufficiency.

- *Specific Services:* GED program; The Card Project; physical and mental health support; housing classes; computer lab; clothing bank, also known as Bridget's Boutique.
- *Outcomes:* more hope; more self-sufficiency; more self-worth and confidence; more skills and education; more access to health care.

Community Building, Advocacy, and Education: Provide a community of acceptance and support that encourages each person to realize their individual and collective potential.

- *Specific Services:* volunteer opportunities; community presentations; website; social media; voter engagement.
- *Outcomes:* more awareness of homelessness and poverty; positive policy changes affecting the people The Gathering Place serves; less isolation.

The Gathering Place relies heavily on in-kind donations, especially food, toiletries, and clothing that are distributed to members and clients through Betsy's Cupboard, the Family Area, and Bridget's Boutique. Unique among the programs, The Card Project provides members and clients with an opportunity to earn money by creating handmade note cards.

Notes to Financial Statements

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

Organization (continued)

In September 2014, The Gathering Place launched a social enterprise, Art Restart. Building on the success of The Card Project, Art Restart involves mass production of member artwork for bulk orders of greeting cards, primarily targeted to corporations. As a social enterprise, Art Restart is designed to meet both programmatic and financial goals for the organization.

Comparative Financial Information

The accompanying financial statements include certain prior year summarized comparative information in total, but not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with accounting principles generally accepted in the United States of America. Accordingly, such information should be read in conjunction with The Gathering Place's audited financial statements for the year ended September 30, 2013, from which the summarized information was derived.

Basis of Presentation

The accompanying financial statements have been prepared on the accrual basis of accounting.

Financial Statement Presentation

The Gathering Place is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Unrestricted amounts are those currently available at the discretion of the Board of Directors for use in The Gathering Place's operations and those resources invested in property and equipment.

Temporarily restricted amounts are monies restricted by donors specifically for certain time periods, purposes, or programs. The Gathering Place reports gifts of cash and other assets as restricted if they are received with donor stipulations that limit the use of the donated assets. When a donor restriction expires, that is, when a stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

Permanently restricted amounts are assets that must be maintained permanently by The Gathering Place as required by the donor, but The Gathering Place is permitted to use or expend part or all of any income derived from those assets.

Cash and Cash Equivalents

The Gathering Place considers all unrestricted highly liquid investments, which are available for current operations and that have a maturity of three months or less when purchased, to be cash equivalents, unless held for reinvestment as part of the investment portfolio.

THE GATHERING PLACE: A REFUGE FOR REBUILDING LIVES

Notes to Financial Statements

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

Investments

Investment purchases are initially recorded at cost or, when contributed to The Gathering Place, at the fair values of the investment assets received at the date of contribution. The Gathering Place is required to report investments in equity securities with readily determinable fair values and all investments in debt securities at their fair values with unrealized gains and losses included in the statement of activities.

Net investment return consists of The Gathering Place's distributive share of interest and dividends and realized and unrealized capital gains and losses generated from The Gathering Place's investments, less investment management and custodial fees.

Contributions and Contributions Receivable

Contributions, which include unconditional promises to give, are recognized as revenue in the period received. Contributions receivable consist of unconditional promises to give that are expected to be received within one year and are recorded at net realizable value. Conditional promises to give are not included as support until the conditions are substantially met.

Unconditional promises to give that are expected to be collected in future years are recorded at the present value of estimated future cash flows.

Management considers all contributions to be fully collectible; therefore, no allowance for doubtful accounts is considered necessary.

Grants Receivable

Receivables on grants and contracts consist of amounts due from state and local government agencies resulting from allowable expenditures incurred that have not been recovered from the relevant state and local government agencies as of September 30, 2014. Management considers all grants to be fully collectible; therefore, no allowance for doubtful accounts is considered necessary.

Property and Equipment

Property and equipment purchased by The Gathering Place are recorded at cost. Donated fixed assets are also capitalized at fair value at the date of donation. The Gathering Place capitalizes all expenditures for property and equipment over \$3,000. Depreciation and amortization is provided on the straight-line method based upon the estimated useful lives of the assets, which range from 5 to 40 years. When assets are sold or otherwise disposed of, the asset and related accumulated depreciation and amortization are removed from the accounts, and any remaining gain or loss is included in operations. Repairs and maintenance are charged to expense when incurred.

THE GATHERING PLACE: A REFUGE FOR REBUILDING LIVES

Notes to Financial Statements

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

Impairment of Long-Lived Assets

The Gathering Place reviews asset carrying amounts whenever events or circumstances indicate that such carrying amounts may not be recoverable. When considered impaired, the carrying amount of the asset is reduced, by a charge to the statement of activities, to its current fair value. There have been no such impairments at September 30, 2014.

Revenue Recognition

Revenue is recognized when earned. Contributions are reported when an unconditional promise to give is received.

Donated Services and Materials

A number of volunteers donate time to The Gathering Place's program services, administration, and development activities. Although the value of these services is significant, The Gathering Place does not record such value in its financial statements because it does not meet the recognition criteria established.

Donated materials are recorded at fair value at the date of donation.

The Gathering Place records donated professional services at the respective fair values of the services received.

Expenses

Expenses are recognized by The Gathering Place in the period incurred. Expenses paid in advance but not yet incurred are deferred to the applicable period.

Functional Expenses

The costs of conducting the various program activities, functions, and related supporting services have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the various activities and supporting services benefited.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

THE GATHERING PLACE: A REFUGE FOR REBUILDING LIVES

Notes to Financial Statements

Note 1 - Organization and Summary of Significant Accounting Policies (continued)

Concentrations of Credit Risk

Financial instruments that potentially subject The Gathering Place to concentrations of credit risk consist principally of cash and cash equivalents and investments. The Gathering Place manages deposit concentration risk by placing its temporary cash and money market accounts with creditworthy, high-quality financial institutions.

Credit risk associated with contributions and grants receivable is limited because a substantial portion of amounts outstanding are due from government organizations and from financially strong individuals.

Subsequent Events

The Gathering Place has evaluated all subsequent events through the auditors' report date, which is the date the financial statements were available for issuance, and has determined that there are no events requiring disclosure.

Note 2 - Income Tax Status

The Gathering Place is tax exempt under Section 501(c)(3) of the Internal Revenue Code. The Gathering Place qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(1). However, income not directly related to The Gathering Place's tax-exempt purposes is subject to taxation as unrelated business income. The Gathering Place is required to report unrelated business income to the IRS and the state of Colorado. The Gathering Place did not have any unrelated business income for the year ended September 30, 2014, nor were any taxes paid.

The Gathering Place applies a more-likely-than-not measurement methodology to reflect the financial statement impact of uncertain tax positions taken or expected to be taken in a tax return. After evaluating the tax positions taken, none are considered to be uncertain; therefore, no amounts have been recognized as of September 30, 2014.

If incurred, interest and penalties associated with tax positions are recorded in the period assessed as interest expense. No interest or penalties have been assessed as of September 30, 2014.

Tax years that remain subject to examination include 2011 through the current year.

THE GATHERING PLACE: A REFUGE FOR REBUILDING LIVES

Notes to Financial Statements

Note 3 - Beneficial Interest in Assets Held by The Denver Foundation

In November 2013, The Gathering Place entered into an agreement with The Denver Foundation (the "Foundation") to establish a permanent endowment fund, known as The Gathering Place Endowment Fund (the "TGP Endowment"), to be held and invested by the Foundation for the benefit of The Gathering Place. The agreement grants variance power to the Foundation by permitting the Foundation to substitute another beneficiary if The Gathering Place ceases to operate, exist, or be qualified as a tax-exempt organization. The Gathering Place is eligible to receive annual distributions up to 5% of the average of the previous 12 quarters' fair value of the assets of the TGP Endowment, less administrative fees and expenses. Excess earnings, if any, are reinvested in the TGP Endowment. The TGP Endowment is reported as beneficial interest in assets held by The Denver Foundation in the statement of financial position.

As of September 30, 2014, the fair value of the assets of the TGP Endowment was \$392,020. Distributions from TGP Endowment are available for The Gathering Place for its unrestricted use. During the year ended September 30, 2014, all income from TGP Endowment was reinvested and no distributions were received.

The assets held by the Foundation are subject to a management fee percentage of 1% of the asset balances, to be charged annually. Total management fees paid to the Foundation for the year ended September 30, 2014, totaled \$2,871.

Note 4 - Investments

During the year ended September 30, 2014, investments held by The Gathering Place related to the TGP Endowment were transferred to The Denver Foundation.

Net investment return, prior to the transfer to the Foundation, consists of the following at September 30, 2014:

Dividend and interest income	\$	3,595
Net realized and unrealized gain on investments		18,360
Investment fees		<u>(670)</u>
Net investment return	\$	<u>21,285</u>

THE GATHERING PLACE: A REFUGE FOR REBUILDING LIVES

Notes to Financial Statements

Note 5 - Fair Value Measurement

The Gathering Place has adopted the methods of fair value as defined by accounting principles generally accepted in the United States of America to value its financial assets and liabilities. Fair value, as defined, is based on the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. In order to increase consistency and comparability in fair value measurements, the following fair value hierarchy prioritizes observable inputs used to measure fair value into three broad levels, which are described below:

- Level 1: Quoted prices (unadjusted) in active markets that are accessible at the measurement date for assets or liabilities;
- Level 2: Observable prices that are based on inputs not quoted on active markets but are corroborated by market data; or
- Level 3: Unobservable inputs are used when little or no market data is available.

Financial assets carried at fair value as of September 30, 2014 are classified in the table below in one of the three categories described above.

These classifications (Levels 1, 2, and 3) are intended to reflect the observability of inputs used in the valuation of investments and are not necessarily an indication of risk or liquidity.

The following is a description of the valuation methodology used for assets measured at fair value:

Beneficial interest in assets held by The Denver Foundation: Recorded at The Gathering Place's proportional share of the net asset value of the Foundation's investment pool. This amount is provided by the Foundation and is based on the fair value of the securities underlying the fund.

<u>Description</u>	<u>Level 1</u>	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Beneficial interest in assets held by The Denver Foundation	<u>\$ -</u>	<u>\$ -</u>	<u>\$ 392,020</u>	<u>\$ 392,020</u>

There were no changes to the valuation technique used during the period.

Level 3 Changes

Note 13 - Investment in Endowment

The Gathering Place's endowment consists of the TGP Endowment described in Note 3. As required by generally accepted accounting principles, net assets associated with the TGP Endowment are classified based on the existence or absence of donor-imposed restrictions.

Interpretation of Relevant Law

The Gathering Place has interpreted the Uniform Prudent Management of Institutional Funds Act ("UPMIFA") as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary. As a result of this interpretation, The Gathering Place's permanently restricted endowment funds consist of (a) the original value of gifts donated to the permanent endowment and (b) accumulations to the permanent endowment made in accordance with the direction of the donor gift instrument at the time the accumulation is added to the fund. The remaining portion of the donor-restricted endowment fund that is not classified in permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by The Gathering Place in a manner consistent with the standard of prudence prescribed by UPMIFA.

Note 13 - Investment in Endowment (continued)

Interpretation of Relevant Law (continued)

In accordance with UPMIFA, The Gathering Place considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds:

- 1) The duration and preservation of the fund
- 2) The purposes of The Gathering Place and the donor-restricted endowment fund
- 3) General economic conditions
- 4) The possible effect of inflation and deflation
- 5) The expected total return from income and the appreciation of investments
- 6) Other resources used by The Gathering Place
- 7) The investment policies of The Gathering Place

Return Objectives, Risk Parameters, and Strategies Employed for Achieving Objectives

As described in Note 3, the TGP Endowment is held by the Foundation. The terms of the The Gathering Place's agreement with the Foundation provides the Foundation full discretion over the investment of the the TGP Endowment, but it must act in accordance with the standard of conduct set forth in Colorado law with respect to the management of institutional funds.

Spending Policy and How the Investment Objectives Relate to Spending Policy

The Gathering Place is eligible to receive annual distributions of 5% of the previous 12 quarters' average market value of the TGP Endowment. Excess earnings are reinvested. For the year ended September 30, 2014, distributions available to The Gathering Place were reinvested in the TGP Endowment.

The TGP Endowment is comprised of permanently donor-restricted amounts, net investment appreciation, and investment income net of distributions.
